

Avant-garde.

Overview.

*Exceptional British craft
from the finest materials.*

From carving and refining the finial forms in the workshop, to hand finishing every painted bracket, expert craftsmen and women carefully tailor every pole to your specification.

The Avant-garde collection consists of three luxury ranges, each curated to represent a timeless style: Revival, Classical and Retro.

Revival	_____	Page 1 - 8
Classical	_____	Page 9 - 16
Retro	_____	Page 17 - 28
Tracked	_____	Page 29 - 30
Bespoke	_____	Page 31 - 32

*These poles are handcrafted from natural materials, so each pole and accessory is likely to have its own unique variation in finish.

Revival.

*Where gentry resided
and history rules.*

The texture of sandblasted wood finely
handcrafted in England.

At home amongst old world fabrics of linen
and chintz, where tapestries hang and lamps
cast their warm glow.

Classical.

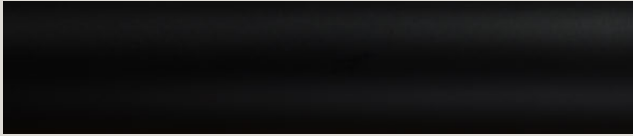

*An ensemble of a satin
finish and gentle patina.*

An ode to the age of opulence. Cherishing
stately details, full of charm and artisanal
finesse.

Ebony and Ivory, living together in perfect
harmony 🎵

Retro.

An infusion of pizzazz.

From the startling pop of ginger to rich tones of inky navy, the Retro collection offers a whimsical statement of personality.

The sleek curves of the acrylic discus, or the ridged form of the fluted cylinder, these finials can be either playful or more formal.

*Cord free tracked sets
for seamless navigation.*

These poles allow the curtains to seamlessly navigate around their support brackets for full insulation and privacy.

Available in all the Avant-garde finishes apart from acrylic, these cord free poles make it simple to dress the larger windows or bi-fold doors.

Bespoke.

*The option is yours to
create the unforgettable.*

Collate ebony satin with ginger gloss, or perhaps inked navy with antique gold.

As with all our products, each order is made to your specification, allowing you to interchange most of the poles, finials and finishes across the three collections: Revival, Classical and Retro.
